ENVIRONMENTAL POLICY STATEMENT

6 Jun 05

Naval Air Station Joint Reserve Base, New Orleans and Naval Support Activity, New Orleans environmental policy statement is applicable to all tenant commands and departments. The environmental policy statement identifies NAS JRB New Orleans and NSA New Orleans fundamental environmental goals while emphasizing the commitment to perform missions in an environmentally sound and efficient manner. The policy also commits NAS JRB New Orleans and NSA New Orleans to the goals of pollution prevention and continual improvement of the Environmental Management System (EMS).

The Commanding Officers of NAS JRB New Orleans and NSA New Orleans are committed to:

- Compliance with federal, state and local environmental laws and regulations while maintaining mission readiness.
- Compliance with Department of Defense and Navy environmental regulations, policies, and directives (OPNAVINST 5090.1B)
- Prevention of pollution through pro-active Pollution Prevention (P2) and hazardous materials minimization programs.
- Conformance and continual improvement to an EMS that includes the setting and reviewing of environmental objective and targets.
- Continually improving our environmental performance.

This policy shall be implemented, maintained and communicated to all employees and made available to the public.
